# TERMS AND CONDITIONS

## Deliveries

Northern Ireland, Isle of Man, Isle of Wight, Scottish Islands & certain postal codes in the Scottish Highlands will incur an additional surcharge of £7.50 to the courier rate.

Customers must refuse acceptance of delivery of parcels that appear damaged.

In the case of an aborted delivery where the courier has to request a new delivery date from the customer a re-delivery charge of £10.00 will be charged to the customer.

## Payment

Payments shall be made by Credit or Debit Card only.

## Claims

Any claims for short delivery or damage must be made in writing either by fax or email (claims@ezypart.co.uk), within five days from receipt of goods.

## Warranty

The warranty period is as shown below for each product and is effective from the date of despatch from Ezy part. The warranty is valid only where the goods have been applied and used for the purpose for which they are intended and which have not been tampered with.

**24 months:** Valves, Pumps, Micro Switches.

**18 months:** PCBs, Fans, Service Kits, End Feed Fittings.

**12 months:** Plate heat exchangers.

## Returns

Returned goods will not be accepted without authorisation from Ezy part and a re-stocking charge of up to 100% will be deducted from credit notes issued for goods ordered in error, not required or for items or packaging which are marked or defaced.

## Exclusion Of Liability

Ezy part shall not be liable in respect of claims arising by reason of death or personal injury, except in so far as the death or injury is attributable to a failure by Ezy part to exercise reasonable care.

Further, under no circumstances whatsoever shall Ezy part be liable for losses special to the particular circumstances of the customer, indirect losses, work required in connection with the removal or change of defective goods and the installation of repaired or substituted goods, loss of profits, damage to property or wasted expenditure.

Without prejudice to this condition, where goods are supplied for the purpose of business, Ezy part's liability, whether in respect of one claim or an aggregate of various claims (other than for claims of death or personal injury to the extent that the same is caused by a failure of Ezy part to take reasonable care), shall not exceed £1,000,000 and the customer agrees to insure adequately to cover claims in excess of such amount.

## Risk And Title Of Goods

The risk of loss or damage to the products shall pass to the customer at the time of delivery. Title of Goods shall not pass to the customer until the sums due to Ezy part have been received in full.

## Web Orders

Ezy part reserves the right to decline to accept any order without providing any explanation and will within 24 hours of receipt of order inform the customer.

In the unlikely event of components not being available for immediate despatch, Ezy part will notify the customer who shall have the right to cancel or change the order, in which case any card transaction, if applied, will be reversed within 24 hours of notification.

Provided an email address is given, all orders will be confirmed by email once the Credit or Debit card transaction has been successfully completed.

A confirmation of despatch via email will be sent once the goods have been despatched.
